

Objectives

Students use simple present/ simple past to talk about a pirate's biography/ daily routine.

Students know about piracy as an historical issue and a problem today.

Students can talk about positive aspects of piracy then and associate them with institutions today.

Students can visualize their knowledge on piracy in a wall paper.

Suggested pre-activities for

PIRATES

90 minutes

Language

Depending on the year/grade: or Simple Present or Simple Past introduction

Content

History/ Geography/Ethics

Suggested while-activities in PIRATES**90-135 minutes**

Explore the whole exhibition in 30 minutes, just watch the sections to get an overview.

Then work with a partner. Watch different videos on the small screens and exchange your experiences using the following tasks as a frame. Take notes.

1. Community

Find some characteristic features of pirates' communities.

Choose two rules on board and explain their background.

2. Reasons for piracy

Pirates settled at places where.... Find the three aspects that made pirates settle at certain places.

On the interactive board proof your finding for at least two pirates settlements. Take notes! It depends on the point of view whether s.o. is a pirate or not.

3. Symbols

Explain how the Jolly Roger  became that popular with pirates. Talk to someone about it.

Explain with the help of the films on the right side of the section why several organisations/ institutions use the Jolly Roger  for their purpose today.

- Apple/ Steve Jobs
- FC St. Pauli
- Sea Shephard
- Piratenpartei

4. Methods/ Techniques

With the help of the exhibits show how piracy has changed till today. Draw a timeline.

5. Booty/ Reward

From the treasure box in this section find out about different booty pirates made.

Play the suggested game taking several roles.

Suggested post-activities for

PIRATES

90 minutes
