

Guidelines for Disinformation on Social Media Remember

- **Who is the author? Do they use their real name or fake?**
- **Is the author working for a reputable source e.g. newspaper or working independently?**
- **Are they following a political stance? Far right agenda?**
- **Is the source state owned? Often state-owned media is reputable.**
- **What other posts/ writings has the person created? do they follow a similar theme?**
- **What sources is the author using? Do they cite any book/research?**
